Activity Report

Topic/ Subject of the Activity

Wildlife Week 2026 Celebration under the theme "Connecting Habitats, Thriving Wildlife"

Objectives (Input)

1. To create awareness among the public about wildlife protection and the importance of wildlife conservation through a rally.

2. To promote wildlife conservation by encouraging participants to take a pledge to protect wildlife and preserve biodiversity.

3. To maintain a clean and healthy forest environment by organizing a forest cleaning activity and removing litter from the surroundings.

4. To educate the public about wildlife protection and conservation by distributing awareness pamphlets and encouraging responsible environmental practices.

Methodology (Process)

The NSS, YRC, RRC, UBA and Rotaract Club of Marudhar Kesari Jain college for Women (Autonomous), in association with the Forest Department of Vaniyambadi, organized Wildlife Week 2026 was celebrated with the theme "Connecting Habitats, Thriving Wildlife connecting Habitats thriving Wildlife on 6.10.26 at 10:00 a.m. at Thumberi Reserve Forest. Forest department officers Mr.A Mohamed Ali, Forest Range Officer, Mr.L.Dayanidhi,Forester and Mr.V.Ramesh, Forester Felicitated the event. They emphasized the importance of protecting forests, fostering harmony between humans and wild animals, and safeguarding natural resources and wildlife. The programme commenced with 55 National Service Scheme (NSS) students taking a Wildlife Conservation Pledge, followed by a forest cleaning activity to promote environmental cleanliness and habitat protection. Subsequently, a Wildlife Awareness Rally was conducted, and awareness pamphlets on wildlife protection and conservation were distributed to the public to highlight the importance of biodiversity and habitat preservation. The event was organized by NSS coordinators Ms.C. Jayasri and Ms.S.Sandhiya.

Output

- 55 National Service Scheme (NSS) student volunteers participated in the program
- Wildlife Week 2026 was celebrated with the theme "Connecting Habitats, Thriving Wildlife connecting Habitats thriving Wildlife organized by NSS, YRC, RRC, UBA and Rotaract Club.
- Mr.A Mohamed Ali, Forest Range Officer, Mr.L.Dayanidhi,Forester and Mr.V.Ramesh,spoke the importance of protecting forests, fostering harmony between humans and wild animals, and safeguarding natural resources and wildlife.
- Greater commitment among participants to protect wildlife through the wildlife conservation pledge.
- Improved cleanliness of the forest environment through the removal of litter and waste.
- Enhanced public knowledge of wildlife protection and conservation through the distribution of awareness pamphlets.
- The programme was aligned with SDG 15 (Life on Land) by promoting wildlife conservation and habitat protection, and SDG 13 (Climate Action) by creating awareness about forest conservation and environmental sustainability.

Outcomes

- The wildlife awareness rally helped create awareness among the public about the importance of wildlife protection and conservation.
- The wildlife conservation pledge encouraged participants to take responsibility for protecting wildlife and preserving biodiversity.
- The forest cleaning activity contributed to maintaining a clean and healthy forest environment.
- The distribution of awareness pamphlets educated the public about wildlife protection and conservation practices.
- The programme promoted environmental responsibility and encouraged community participation in wildlife conservation efforts.
- Strengthened institutional collaboration between higher education institutions (NSS unit) and state forest authorities for social and environmental causes.
- Fostered a better understanding of building harmony between human populations and forest wildlife to mitigate conflicts
