❖ CHIEF GUEST: Dr. S. Peter
Principal
Arakkonam Arts and Science College
Arakkonam.
Topic: **STATISTICS IN RESEARCH**

First of all We enjoyed your seminar Sir.
We guys are yet cleared in our ^{topic} of Types of
sampling and distribution. We won't forget the
examples which you were told for each and
every topic. The way of teaching is enjoyable
and interesting to listen the class, without sleeping
It is very useful for our subjects. Thank you
for your seminar Sir. Visit again our college
with interesting example for us Sir.

Feed Back:

This Seminar is very interesting and
useful. Basics of statistics are well explained
with life examples by the Chief guest. But
there is no time to explain all the details.
Overall we all learned about statistics in
our life.

Overall Feedback Received from Department Students

- ❖ Good, Fine, Understood clearly.
- ❖ It improves our knowledge.
- ❖ This seminar is very interesting and useful. Basics of statistics are well explained with life examples by the chief guest.
- ❖ Sir took his seminar in a practical manner. He gave clear explanations to the statistical terms. It was an interactive session. This session helped us to get more knowledge about statistics.
- ❖ On the whole the seminar was interesting and the chief guest class was interesting.
