ABOUT THE DEPARTMENT

PG & RESEARCH DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science was established in 1994. Department is currently offering under graduate (B.Sc) and post graduate programme (M.Sc) and Research programmes (M.Phil, Ph.D*) with a vision to prepare young women to acquire the opportunities in the field of information technology. The department has various laboratories equipped with state - of - the - art computing facilities with internet facilities and 13 dedicated faculties to support the research and teaching activities.

PG DEPARTMENT OF COMPUTER APPLICATIONS

The department of Computer Applications laid its corner stone in the year 1998 with B.C.A Computer Applications as the main course and spread its wing in post graduate on M.C.A in the year 2002. The Department is enlisted with 10 well accomplished faculties with state-of-art infrastructure and well equipped laboratories, which is being constantly updated with latest computers and softwares. The Department prepares students to design, develop and implement software applications. Department of Computer Applications emphasis on the latest programming languages, cutting edge technologies and tools to make the students ready for the IT Industry.

Both Computer Science and Computer Applications departments organizes various programmes such as Workshops, Webinars, National Level Seminars, Carrier Guidance and Training Programmes and Inter Collegiate Competitions to prepare students industry readiness. Also our students are participating in other college events to develop their competency.

ABOUT THE FDP

One week International Faculty Development Program (FDP) on "Recent Trends in Computer Science and its Research Perspectives" organizing for faculties and researchers as part of its Skill Development Program initiative. FDP gives you opportunity to explore various domains in computer science and applications with different sessions imparting technical knowledge and equips you for research possibilities.
