The seminar aims to bridge the gap between academic knowledge and industry practices, fostering insights into real-world applications and innovations.		
Internal Participants Count	Students:69 Staff: 08	External Participants Count	NIL

Summary

One day Seminar on the topic “Decoding Textile Industry – Woven” was held on 17.12.2024 organized by the Department of Costume Design and Fashion Technology, Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi with the strength of 69 students. The program was coordinated by Ms. N.Vijayalakshmi, Head Department of Costume Design and Fashion Technology. Master of Ceremony of the program is Ms. S. Hasin, II B.Sc, CD & FT. The program started with prayer song followed by welcome address given by Ms. Bushra Fathima, I B.Sc. CD&FT and program was felicitated by Ms. N. Vijayalakshmi, Head Department of Costume Design and Fashion Technology. Chief Guest welcome address was given by Ms. O. A. Sameeha, II B.Sc. CD&FT. Then the session is handed over to the resource person **Mr. R. Suresh Kumar, Managing Director, Ramu Tex, Ilampillai, Salem.** The seminar commenced with the significance of woven textiles in the global market, followed by a keynote presentation on the future of woven fabrics, covering innovations like smart textiles, eco-friendly production, and the integration of automation in manufacturing. Overall, the seminar provided a comprehensive overview of the woven textile industry's current trends, challenges, and future opportunities, emphasizing the need for innovation, sustainability, and technological adoption to drive growth and resilience in this vital sector. At the end of the session feedback was collected. Vote of thanks was given by Ms. P. Srisaimitha, I B.Sc. CD&FT. The session is ended with National Anthem.

Outcome of the Programme

The students came to know about,

1. Participants gained insights into advanced woven fabric techniques, including weaving and fabrication.
2. The seminar emphasized basic and advanced loom weaving mechanism.
3. Discussions on technical textiles highlighted the applications in sectors like medical textiles.
4. Participants gained a better understanding of global market trends and consumer demands for innovation and sustainability.
