#### **Objectives**

- 1.The main objectives of this event is To educate citizens about the importance of voting in a democratic country.
2. To make Students realize their power in shaping the government and future of the nation.

#### **Summary Report**

The program titled "My Vote, My Choice" was conducted to create awareness among students about the importance of voting. The main aim of the program was to encourage young voters to actively participate in elections and make informed decisions while casting their votes. Students were educated about the electoral process, voter registration, and the use of Electronic Voting Machines (EVMs). The program also emphasized the importance of choosing leaders based on their qualifications, integrity, and policies rather than external influences. The program was interactive and engaging, allowing students to ask questions and clarify their

doubts regarding elections and voting procedures. It helped in building a sense of responsibility and awareness among the participants. And students participated enthusiastically in the Competitions.

**Outcome of the Program**

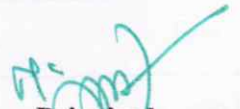

- 1.The program helped in building a sense of responsibility and active citizenship
- 2.Students showed enthusiasm and engaged actively during the competition.
