National Science Day & National Mathematics Day Celebration

DAY-2

REPORT FOR NATIONAL MATHEMATICS DAY

REMEMBERING INDIA'S ONE OF THE GREATEST MATHEMATICAL

GENIUS SRINIVASA RAMANUJAN ON HIS BIRTH ANNIVERSARY

The National Mathematics Day celebration started with inaugural session on 01.03.2022 at 10 am and presided. The session begins with Lighting of kuthuvizhakku by our Management Trustees, Principal mam and all other dignitaries on the dais.

The main objective behind this celebration is to raise awareness among students, and which opened new areas of mathematical research, to eradicate phobia and fear against mathematics among children and adults. Welcome address and Felicitation was given by Dr. M. Inbavalli, Principal of Marudhar Kesari Jain College for Women, Vaniyambadi. Dr. M. Inbavalli, honored our chief guest Mr. S. Subramani Sir and Dr. G. Thangaraj Sir with shawl and Memento.

Mr. S. Subramani, State General Secretary, Tamilnadu Science Forum delivered the key note address to the gathering. He stated that he felt very glad to be the part of the programme. He advised the students to use the opportunity when it knocks the door. He also stated that our every action to be based on Science. He added science to be Practiced everyday.

Dr. G. Thangaraj, Professor Department of Mathematics, Thiruvallur University, Serkkadu, Vellore addressed the gathering. He shared his views based on Application to Mathematics. He taught few applications with live examples. He mentioned Mathematics is the Queen of Science and Mother of All. He advised the students to believe in science not in Pseudoscience and to study Science in their lives.

Various Competitions were conducted for school and college students to express their knowledge. The Competitions are

- **Paper presentation**
- **Poster Presentation**
- **Project/Model Presentation**
- **Mathematics Quiz**

Topic for Paper presentation and Poster Presentation are

1. Game theory
2. Statistical Mechanics
3. Findings of Ramanujam
4. Numerical analysis and Scientific computing
5. Applied Mathematics
6. Mathematics in Daily Life

Topics for Project/Model Presentation are

1. Mathematics in Daily Life
2. Mathematics Puzzles
3. Applications of Mathematics

There was enthusiastic participation for all the competitions from the students as well as faculty from various schools and colleges. 50 posters were presented (29 posters by school students, 2 posters by other college and 19 posters by MKJC students). 49 papers were presented (15 papers by school students, 11 papers by other college students & 22 papers by MKJC students). 75 Models were presented (26 models by school students & 49 models by college students). 71 teams were participated in quiz. All the Competitions were assessed by Judges and best three presenters were selected and prizes were awarded.

Mass Rally was conducted by our college NSS and NCC students using charts, Placards, Banners etc., to create awareness about importance of mathematics in day to day life situation and also to create students interest in studying the mathematics.

VALEDICTORYSESSION

Students were given their feedback and shared their experiences as follows

- (i) Knowledges haring on puzzles, magical tricks and riddles
- (ii) Inspiration and motivation on mathematics
- (iii) Improved presentation skills
- (iv) Improved Self confidence
- (v) Learned Team work and moral

Headmaster and physics faculty from Government Higher Secondary school Ambalur appreciated the National Council for Science & Technology communication, TamilNadu State council for Science and Technology and Marudhar Kesari Jain College for Women, for giving opportunities for the students to show their talents and to develop their skills throughthe Poster Presentation, Paper Presentation and models. It inculcated positive attitude towards learning mathematics among the younger generation.

PRIZEDISTRIBUTION

Schools and Colleges
