Activity Report

Topic

Memorandum of Understanding

Objectives(Input)

1. To promote academic collaboration and strengthen institutional partnerships between the participating colleges.
2. To enable faculty members to share subject expertise and innovative teaching methodologies.
3. To facilitate the exchange of knowledge, expertise, and best practices among faculty members.
4. To provide students with enriched academic experiences through inter-institutional learning.

Methodology(Process)

As part of the followup activity for the MoU held between Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi and BGS B School, Kengeri, Bengaluru, on 22.07.2026, (under SDG 4- Quality Education & SDG 17 - Partnership for the goals).

The programme facilitated academic interaction between Colleges. Faculty members from both institutions will deliver online lectures and interactive sessions for undergraduate and postgraduate students in the future. The sessions focused on enhancing conceptual understanding, introducing contemporary perspectives in Commerce, and promoting experiential and application-oriented learning.

Output

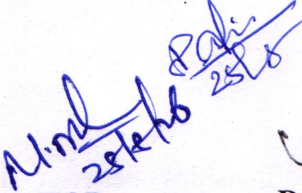

The Faculty - Student Exchange Programme proved to be a valuable MoU activity that promoted academic excellence, collaborative learning, and institutional partnership. The program will facilitate the exchange of ideas, Research Collaboration, and exposure to diverse academic environments. The initiative significantly contributed to improving teaching-learning processes and provide a meaningful academic exposure to both faculty and students. The programme reflects the institution's commitment towards quality enhancement, academic networking, and continuous improvement in higher education.

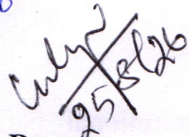

Outcomes

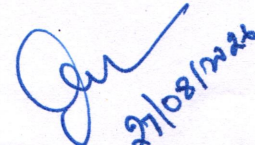

1. The exchange programme will enhance academic exposure for students through interaction with faculty from another institution.
2. The exchange programme will promote professional development of faculty through academic exchange and peer learning.
3. The exchange programme will strengthened inter-institutional collaboration under the MoU framework.

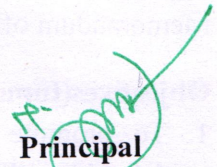

4. The students will be able to demonstrate increased academic motivation and engagement through the exchange programme.

5. The exchange Programme will also enhance the students communication and academic interaction skills in an online learning environment.
