ABOUT THE COLLEGE

The college is established by Sri Marudhar Kesari Jain Trust, constituted by the well known philanthropists. This college was started in 1994 to educate the women in rural and urban areas. The focus of the college is to impart quality education and to inculcate moral and ethical values in future citizens. The motto of the college is empowerment excellence.

This college is situated in a sprawling campus of 25 acres which is located between Chennai and Bangalore & 10 Kms from Jolarpet Junction. It has the pride of getting Re-Accredited "A" Grade by NAAC, An ISO 9001:2015 certified institution.

The college offers 15 UG courses, 11 PG courses, 6 M.Phil research programmes and Ph.D. Commerce.

ABOUT THE DEPARTMENT

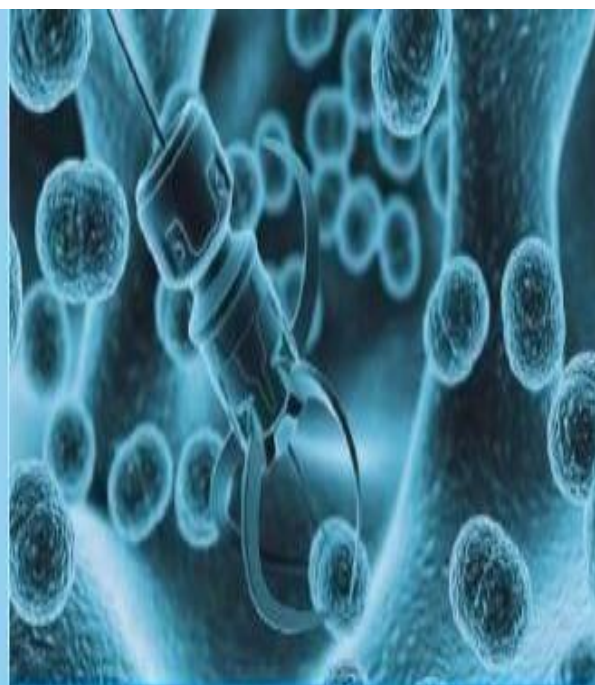

The Department of Biochemistry was established in the year 2004. Biochemistry is an integrated subject fulfilling the need for basic as well as applied aspects of biology students to become entrepreneur, teacher, researcher or to fit into equip themselves to the future needs along with the basic and applied knowledge of Modern Biology. This modern curriculum will benefit our younger generation of students who can contribute to the welfare of the society.

The Department of Biotechnology was established in the 2007. Biotechnology is an applied subject which has an impact on a number of sectors and disciplines such as scientific, industrial, health, agriculture, pharmaceuticals etc. The department aims at developing young talent for the biotechnology industry and builds in them other strengths such that they are able to venture into allied fields too.

The Department of Nutrition Food Service Management & Dietetics established in the year 2010. PG Foods and Nutrition established in the year 2016. The Department has built its programmes oriented towards excellence and community development, to shape the future academicians, research scientists, healthcare professional and home makers who are nutrition conscious citizens.

OBJECTIVES OF THE SEMINAR

- ❖ To create exposure among the students for healthy life.
- ❖ To impart knowledge on advances in health science.
- ❖ To know the importance of nano particles in life science.
