### Standard Club Organizes Training on BIS APP on 27.09.2023

## REPORT

On 27/09/2023, our college hosted a successful training program in collaboration with the Bureau of Indian Standards (BIS). This program aimed to educate students and faculty about BIS's vital role in standardization, quality assurance, and consumer protection. The program featured an inaugural address by a BIS representative, providing insight into BIS's mission and history.

Technical sessions, and real-world case studies highlighted the importance of BIS standards in various industries. Feedback from participants was overwhelmingly positive, praising the informative sessions and practical workshops. Students found the career guidance session particularly beneficial. In conclusion, the BIS training program was a resounding success, enhancing attendees' understanding of BIS's pivotal role in ensuring product and service quality. It also inspired students to consider careers in standardization and quality assurance. We express our gratitude to BIS for their valuable contribution to our educational endeavors, looking forward to future collaborations. 54 Students were participated.
