### REPORT

On 28th January 2020 our department of chemistry organized Guest lecture programme on "RECENT ADVANCES IN CHEMISTRY" our resource person Dr.R.Renganathan Emeritus fellow (UGC), Former professor in Chemistry, School of Chemistry, Bharathidasan University, Trichy. Our resource person delivered various techniques and instrumentations encompassing innovations are rapidly emerging in the field of science and technology. Modern sophisticated instrumentation techniques play a key and reliable role for the characterization, structure determination and identification of the new molecules. On the basis of these inventions researcher can modify his work according to the need of the industry and serve for the betterment of the society.
