Type of Activity	Outreach		
Level	Societal		
Date	From : 02-02-2026	To :	
Venue	Govt Higher Secondary School, Girisomudiram		
Resource Person Details	-		

OBJECTIVES

As part of its Institutional Social Responsibility (ISR) and outreach initiatives Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi conducted specialized classes and workshops for school students from 9th to 12th standards. The initiative aims to bridge the gap between school education and higher education, offer subject-specific support, and provide career guidance.

- To strengthen academic understanding of Computer Knowledge and Artificial Intelligent for 9th-12th standard students.
- To provide career counseling and guidance on higher education options.
- To introduce interactive teaching methods like puzzles, practical experiments, and demo classes.
- To mentor students on exam preparation, stress management, and time management. The sessions were interactive, focusing on foundational concepts rather than just rote learning. For 12th-standard students, special sessions on competitive exam preparation and career path mapping were provided.

SUMMARY REPORT

- **Interactive Lectures:** Faculty and senior college students used PowerPoint presentations and whiteboard demonstrations.
- **Demonstration:** Practical demonstration of Computer Hardware Parts.
- **Group Activities:** Small group discussions and problem-solving exercises.
- **Q&A Sessions:** Dedicated time at the end of each session for queries.

OUTCOME OF THE ACTIVITY

- **Improved Conceptual Clarity:** Students reported a better understanding and basic Knowledge of Artificial Intelligence
- **Increased Motivation:** Students felt more confident in preparing for board exams and choosing career paths.
- **Skill Development:** Students developed critical thinking and improved communication skills through active participation.
- **Positive Feedback:** The School Principal and teachers appreciated the effort, noting increased enthusiasm among students.

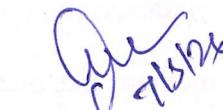

The outreach program was successfully executed, achieving its goal of academic support and motivation for school students. The initiative not only benefited the school students but also provided valuable teaching experience to the college volunteers. Extend the program to a full week to cover more subjects. Incorporate more hands-on lab experiments.

Participants Count :

Internal Participants	:	Faculty :2 ; Students: 20
External Participants	:	Faculty: Nil ; Students : 100
