To enable students to benefit from diverse teaching approaches and expert lectures.3. To promote mutual understanding and intellectual enrichment among faculty and students of both institutions.		
Internal Participants Count	Students: 30 Faculty: -	External Participants Count	Students: - Faculty: 03

Summary

The Staff Exchange Programme was organized by the PG & Research Department of English on 17th September 2025, under the institutional-level Memorandum of Understanding (MoU) with KMG College of Arts & Science (Autonomous). The initiative

aimed to foster inter-institutional collaboration and provide students with academic exposure to diverse pedagogical practices.

The primary objectives of the programme were to encourage academic and professional cooperation between institutions, enable students to benefit from varied teaching methodologies and expert lectures, and promote mutual intellectual enrichment among faculty and students of both colleges.

As part of the exchange, three faculty members from KMG College of Arts & Science (Autonomous) were invited, Ms. M. Saranya, Dr. R. Devendiran, and Mr. M. Suresh. The event commenced with a formal welcome address delivered by the Head of the PG & Research Department of English. Following the welcome, the guest faculty members were introduced to the students, and sessions began.

Ms. M. Saranya engaged the session for III BA English the subject, *Contemporary Literary Theory*, emphasizing its relevance in postmodern literary criticism and encouraging students to explore new theoretical frameworks. Dr. R. Devendiran followed with a session on *Research Methodology in Literary Studies*, offering valuable insights into research design, thesis structuring, and citation ethics, which proved especially beneficial for postgraduate students. The final session was conducted by Mr. M. Suresh, who led an interactive discussion for I MA English subject, *Postcolonial Literature*. His session inspired students to critically examine central themes such as identity, resistance, and cultural hybridity.

The programme created a vibrant academic environment and was well-received by the students and faculty alike. It successfully achieved its objectives by providing an intellectually enriching platform and strengthening academic ties between the institutions. The department looks forward to conducting more such collaborative events in the future to further enhance academic excellence and engagement.

Outcome of the Programme

1. The programme fostered strong academic relationships between the two colleges.
2. Students gained exposure to new ideas, perspectives, and methods of instruction.
3. Overall, the initiative resulted in mutual academic enrichment and intellectual engagement that align with the objectives of the MoU.
