Activity Report

Topic/ Subject of the Activity:

Awareness Programme on Census 2027 self Enumeration Online Form Filling

This Awareness Programme organized by Electoral club with Vaniyambadi revenue department on 22-07-2026, venue Sri Roop Rajat Seminal Hall

Objectives (Input):

- To create awareness among students about the importance and purpose of the Census.
- To explain the concept and process of online self-enumeration.
- To provide practical knowledge on registering and filling out the Census form online.
- To develop students' digital skills and confidence in using online services.
- To encourage students to disseminate Census-related awareness among family member and the community.

Methodology (Process)

- Mr. Anbalagan, Deputy Thalsidhar, Revenue Department Vaniyambadi create a awareness on the Census and its importance in national development.
- He explained the process of online self-enumeration and Census registration to the participants.
- He given practical demonstrations were provided on accessing and completing the online Census form.
- Students were encouraged to understand the procedure and gain hands-on knowledge.
- Interactive explanations and discussions were used to clarify participants' doubts.
- Feedback was collected from participants to evaluate the effectiveness of the programme.

SDG

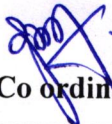

- SDG 4 – Quality Education: Promoted digital literacy, learning, and awareness through practical training in online form filling.

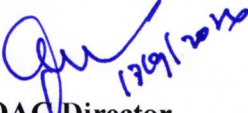

▪ **Output**

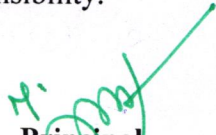

- Students gained awareness of the Census process and its significance.
- Participants learned the procedure for online self-enumeration and Census form registration.
- Students acquired practical knowledge of using digital platforms for Census-related activities.

Outcomes

- Improved awareness and understanding of the Census among students.
- Increased confidence in completing online self-enumeration independently.
- Students became better equipped to assist their families and communities with Census-related processes.
- The activity strengthened students' understanding of their role in supporting accurate population data collection and social development.
- The programme encouraged greater civic awareness and social responsibility.
