Summary

The Internal Quality Assurance Cell (IQAC) of Marudhar Kesari Jain College for Women organized a Training Programme on **"Beyond the Bin: 3 Rs: Reduce Reuse Recycle"** exclusively for the housekeeping staff on **28th April 2025**. The programme aimed to enhance awareness and skills among the staff, recognizing their vital role in ensuring cleanliness, sanitation, and proper waste disposal within the college premises.

The session was led by **Ms. S. Santhiya**, Assistant Professor, Department of Biotechnology, who shared her expertise on sustainable waste management practices. The training focused on the **importance of cleanliness**, **segregation of waste**, and **recycling techniques** and essential components of an effective and eco-friendly waste management system. During the session, Ms. S. Santhiya provided a **detailed explanation of waste segregation** using colour coded bins, a system widely adopted in environmentally responsible institutions. She explained the **purpose of each colored bin**.

The housekeeping staff members were guided on how to correctly identify and classify waste. They received training on how to **reuse and recycle** waste properly. The session also included interactive discussions, where staff members were encouraged to ask questions and share their experiences regarding current waste management practices.

Outcome of the Programme

The participants had better understanding of the importance and their role in promoting a healthy, clean, and environmentally sustainable campus.
