Summary

The program began with a finely tuned prayer song, followed by the Tamilthai Vazhthu. To initiate the program in a traditional way, dignitaries and student representatives lit the kuthuvilakku, symbolically enlightening the day. Ms. T. K. Afsa (III-B.Sc Chemistry) served as the program anchor, guiding the audience through the event's agenda. Ms. P. Umama Khanum, Students' Secretary (III-B.Sc Chemistry), delivered a warm welcome address. Dr. T. Balasubramaniam, Academic Advisor of Marudhar Kesari Jain College for Women (Autonomous), gave a felicitation address, emphasizing the role of the association in fostering academic excellence. Dr. K. Elankumaran, Dean of the School of Physical Science, highlighted the achievements and programs of the Chemistry Department.

Ms. Umama Khanum then introduced the Mendeleev Chemistry Association, detailing its mission and goals. Dr. M. Charumathy, Head of the Department, introduced the chief guest, Dr. B. Scholastica Mary Vithiya, then honored the chief guest with a shawl. Dr. B. Scholastica Mary Vithiya delivered an insightful keynote address titled "Chemistry of Natural Products", discussing extraction methods, structural elucidation, and applications. Ms. E. Anuja, II-M.Sc Chemistry, delivered the vote of thanks, expressing gratitude to all contributors. The event concluded with the national anthem, uniting all attendees in a spirit of unity.

Outcome of the Seminar

1. The Inauguration of the Chemistry Association establishes a platform for students to connect, share knowledge, and collaborate on projects.
2. To gain a comprehensive understanding of Chemistry principles, especially in the realm of natural products.
3. Students develop Research, Analytical, and Presentation skills through Association activities and Seminar participation.
