Summary

The Eco-Friendly Diwali Celebration was organized to promote sustainable and pollution-free festival practices. The event aimed to create awareness about the harmful effects of firecrackers on the environment and encourage students to celebrate Diwali in an eco-friendly manner.

To promote an Eco - friendly Diwali celebration Principal Dr, Inbavalli, Co- Chairman- Sri. C. Lickmichand Jain, Secretary Anand Singhvi and students actively participated in a sapling plantation drive instead of bursting firecrackers. The event aimed to spread awareness about air pollution caused by fireworks and encourage sustainable ways of celebrating festivals. Students planted saplings on the school campus and in their neighbourhoods, reinforcing the message of a greener future.

The goal of the program is to spread awareness about sustainable festival celebrations and inspire responsible choices and to minimize environmental damage caused by firecrackers and promote cultural traditions in an environmentally conscious manner.

Outcome of the Program

1. Increased awareness about eco-friendly Diwali celebrations by sapling plantation.
2. Students committed to green initiatives for future festivals.
