#### Summary

On 22nd April 2024, Marudhar Kesari Jain College for Women, Vaniyambadi, organized a World Earth Day Celebration under the leadership of Dr. M. Inbavalli, Principal. The event was conducted offline, engaging around 20 participants in discussions and activities focused on environmental sustainability.

This event focused on celebrating Earth Day and educating students about the importance of environmental conservation. Awareness sessions were conducted to highlight issues such as deforestation, pollution, and climate change. Students participated actively in discussions and pledged to adopt sustainable practices. Awareness sessions were conducted to highlight the significance of Earth Day. Discussions covered topics such as climate change, deforestation, and pollution control. Students actively participated in sharing their ideas and commitments to adopting eco-friendly habits.

The goal of the program is to educate students about the environmental challenges facing the planet, to inspire individuals to adopt sustainable lifestyle choices and to reinforce the institution's commitment to promoting environmental responsibility

#### Outcome of the Program

1. Participants gained a deeper understanding of environmental issues and solutions.
2. Students pledged to adopt sustainable habits such as reducing plastic use and conserving energy.
3. The event fostered a culture of environmental responsibility within the institution.
