Objectives

- To enhance faculty knowledge on innovative teaching and learning methodologies.
- To introduce active learning strategies for improving student engagement.
- To familiarize participants with technology integration in teaching practices.
- To develop effective assessment, feedback, and inclusive teaching techniques.
- To promote emotional intelligence and classroom management skills among educators.

Summary Report

The PG & Research Department of Management Studies, School of Business, Marudhar Kesari Jain College for Women (Autonomous), successfully organized a Five-Day Faculty Development Programme (FDP) on “Innovative Teaching & Learning Methodology” from 27th January to 31st January 2026 through Google Meet.

The FDP featured a panel of distinguished resource persons including Dr. Merlin Mythili Nelson, Dr. M. G. Sethuraman, Mr. Valan Peter, Dr. Christhu Raj M.R., and Dr. Sudipto Bhattacharya. Each expert brought unique perspectives and domain expertise, enriching the programme with diverse insights and real-world applications. Their sessions were thoughtfully designed to combine theoretical concepts with practical implementation strategies, making the learning experience both comprehensive and impactful.

Each day of the programme was dedicated to a specific theme. The sessions on Active Learning Strategies emphasized the importance of engaging students through participatory and experiential learning techniques. The module on Foundations of Innovative Teaching Methodologies introduced educators to modern pedagogical frameworks and encouraged reflective teaching practices. The session on Technology Integration in Teaching demonstrated the effective use of digital tools, online platforms, and blended learning approaches to enhance student engagement and accessibility.

Further, the sessions on Assessment, Feedback & Inclusive Practices highlighted the need for fair, transparent, and outcome-based evaluation systems, along with strategies to accommodate diverse learners. The final module on Emotional Intelligence & Classroom Management focused on developing interpersonal skills, managing classroom dynamics, and fostering a positive and inclusive learning environment.

A total of 41 participants actively attended the FDP, showing great enthusiasm and commitment throughout the programme. The sessions were highly interactive, featuring discussions, case studies, activities, and experience sharing, which enabled participants to connect theory with practice. The active participation and collaborative learning atmosphere significantly enhanced the overall effectiveness of the programme.

In addition, the FDP provided a valuable platform for networking and knowledge exchange among faculty members from various disciplines. Participants were encouraged to reflect on their teaching practices and explore innovative approaches that could be implemented in their respective classrooms. Many participants expressed their appreciation for the practical orientation of the sessions and the relevance of the topics covered.

Feedback collected at the end of the programme indicated a high level of satisfaction among the participants. They acknowledged that the FDP had broadened their perspectives, improved their teaching competencies, and inspired them to adopt more learner-centric approaches.

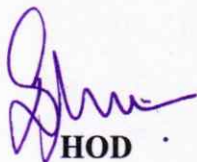

Overall, the Five-Day FDP was a resounding success, achieving its intended objectives and making a significant contribution to the professional development of educators. The programme not only enhanced teaching effectiveness but also reinforced the institution's commitment to academic excellence and continuous learning.

Outcome of the Program

- Participants gained knowledge of modern and innovative teaching methodologies.
- Improved ability to apply active learning techniques in classrooms.
- Enhanced understanding of integrating technology into teaching practices.
- Strengthened skills in assessment, feedback, and inclusive education.
- Increased awareness of emotional intelligence and effective classroom management.
