Objectives

1. Strengthen environmental consciousness through educational and awareness activities organized by the Go Green Association.
2. Motivate All to participate actively in environmental initiatives such as tree plantation programme.
3. Commemorate World Environment Day and highlight its significance in addressing global environmental challenges.

Summary Report

Go Green Association received communication through Tamil Nadu Pollution Control Board (TNPCB), Vaniyambadi, Tirupattur District, regarding the celebration of World Environment Day on 05.06.2026. The communication, dated 03.06.2026, was issued under Reference No. Lr.No.F.T-69/DEE/TNPCB/VBD/2026-1. As part of the observance, TNPCB recommended conducting two environmental activities, namely Tree Plantation and Mass Cleaning Programmes.

In response to this initiative, our institution organized a Tree Plantation Programme within the college campus. During the event, five saplings were planted to promote environmental sustainability and ecological conservation. The programme was actively participated in by the College Vice Principals, IQAC Director, Go Green Association Coordinator, and ten faculty

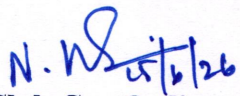

members. The participants emphasized the importance of protecting the environment, conserving natural resources, and fostering sustainable practices for the benefit of future generations. The activity aligns with the United Nations Sustainable Development Goals (SDGs), particularly SDG 13 (Climate Action) and SDG 15 (Life on Land). The programme aimed to create awareness about environmental protection, biodiversity conservation, and the collective responsibility of ensuring a greener and healthier planet. The faculty members actively contributed to the celebration and reiterated the need to preserve natural resources for future generations.

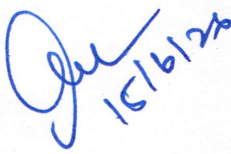

Outcome of the Program:

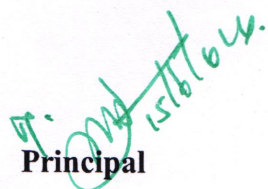

1. Increased awareness about environmental protection among students.
2. Encouraged eco-friendly practices and sustainable living.
3. Motivated All to participate in environmental conservation activities.
4. Reinforced the importance of collective action for a greener future
