Summary Report

Our students conducted an **Extension Activity on Awareness on Savings towards the school children, Girisamudhithiram and 100 days employment scheme workers at LALA Lake and organized by Department of Commerce & Commerce CA.** The extension activity on **Awareness on Savings** aims to help students and the daily wage-earning ladies to understand the importance of saving money for future needs. It highlights how regular savings encourage financial discipline, reduce dependence on loans, and provide security during emergencies. The activity creates awareness about different saving options like **bank deposits, recurring deposits, and small savings schemes.** Overall, it helps individuals develop a habit of planned saving, leading to financial stability and a better standard of living. Our Students created interest among school students to save small amount of money from their Packet money. It was demonstrated with Hundi and Other saving Ideas. Students and Daily wages shown keen interest in learning the saving methods.

Participants Count:

Faculty: 02 Students: 19

Learning Outcome of the Program

- Students develop a **positive saving habit** and understand the value of money.
- Improved **financial literacy**.
- Better awareness of **safe and formal saving options** such as banks and small savings schemes.
- Enhanced ability to **plan for future needs and emergencies**.
- Encourages **financial discipline and self-reliance**.
