Activity Report

Topic

School of Commerce and Research & Development cell Organized "Internal FDP on Research Excellence through Publication, Promotion and Funding".

Objectives(Input)

It was organized in Sri Arihanth Seminar Hall on 11.11.2026 and its primary objective of the Internal Faculty Development Programme was to enhance the research knowledge, academic competencies and professional capabilities of faculty members by creating awareness about research excellence through quality publications, research promotion and funding opportunities.

1. To create awareness among faculty members about the importance of research and its role in enhancing academic excellence and institutional development.
2. To provide insights into the preparation and publication of quality research papers in reputed, peer-reviewed and indexed journals.
3. To develop faculty members' skills in identifying suitable research journals, understanding publication ethics and avoiding predatory publishing practices.
4. To encourage faculty members to prepare research proposals and submit applications for grants from government and other funding agencies.

Methodology(Process)

Our School of Commerce and Research & Development cell organized Internal FDP on 11th November 2026. The event commenced with a prayer song and Tamizh Thai Vazhthu followed by the Welcome Address and Chief Guest Introduction was given.Then Dr.T.Balasubramanian,Academic Advisor and Dr.D.Vetrivelan Vice Principal felicitated the Resource person **Dr. C. PARAMASIVAN., Ph.D.,** and the session was taken by him.This Session Focussed on the objective of strengthening the research knowledge, publication skills and funding awareness among the faculty members and was conducted through a structured and interactive approach to provide practical insights into various aspects of research development. The programme followed a participatory, interactive and knowledge-sharing methodology, combining expert guidance, practical exposure, discussion and experience sharing. It provided faculty members with valuable insights into quality research publication, research promotion and funding opportunities. Totally 74 faculty members were Attended the FDP.All the faculty members got the new insights on Research publication. Finally it was concluded with a Vote of Thanks followed by the National Anthem.

Output

The Internal Faculty Development Programme successfully contributed to strengthening the research capabilities and academic competencies of faculty members. It enhanced awareness of

quality publications, research promotion, ethical publishing practices and various funding opportunities. The programme motivated faculty members to undertake quality research, prepare research proposals, explore collaborative opportunities and improve their academic contributions. The programme directly supported SDG 4 (Quality Education), SDG 8 (Decent Work and Economic Growth), SDG 9 (Industry, Innovation and Infrastructure) and SDG 17 (Partnerships for the Goals) by fostering continuous learning, professional development, innovation and research collaboration. Thus, the initiative contributed towards developing a sustainable and research-oriented academic environment within the institution.

Outcomes

1. Faculty members will develop greater confidence and interest in undertaking quality research activities.
2. This will Create interest in developing innovative ideas and strengthening institutional research infrastructure for the faculty members.
3. This will Encourage the integration of research-based knowledge and innovative practices into teaching and learning.
4. This will Strengthen the commitment towards academic excellence and quality enhancement.
