Activity Report

Topic/ Subject of the Activity: Outreach Activity - Career Counseling for Boston Matriculation Higher Secondary School, Jolarpet.

Objectives (Input):

- To create awareness among the school students about career opportunities in various fields.
- To provide guidance on choosing the right academic stream based on interest and aptitude.
- To motivate students to set goals and plan for a successful future.

Methodology (Process):

The PG & Research Department of Mathematics, Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi, organized an Outreach Activity - Career Counseling Program for Boston Matriculation Hr. Sec. School, Jolarpet supported by DBT Star College Scheme.

The program was conducted through an interactive session led by Ms. C. B. Sumathi, Dean, School of Physical Sciences, Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi, who served as the Resource Person. The session included a presentation on career opportunities, the importance of higher education, and skill development. A total of 46 students participated in the session. The students were encouraged to actively participate in discussions, interact with the resource person, and clarify their doubts regarding higher education and career opportunities.

Output: The outreach activity successfully created awareness about various career paths and the importance of education and skill development. Students actively participated and expressed their interest in exploring new opportunities.

Outcomes:

- Students gained knowledge about diverse career opportunities.
- Awareness was created on the importance of goal setting and higher education.
- Students were motivated to make decisions about their future.

Alignment with Sustainable Development Goals (SDGs)

This activity contributes to the following SDGs:

- **SDG 4 – Quality Education:** By providing career guidance and promoting higher education awareness among students.
- **SDG 8 – Decent Work and Economic Growth:** By helping students identify suitable career paths and skill development opportunities for future employability.
