<b>Date</b>	<b>07/08/2024</b>	<b>Time</b>	<b>1.00 pm</b>
<b>Venue</b>	<b>Old Seminar Hall</b>	<b>Mode</b>	<b>Offline</b>
<b>Resource Person Details</b>	<b>Prof Dr.R.Suresh Rayala</b> Prof.Department of Biotechnology Indian Institute of Technology Madras (IITM) Chennai		
<b>Objective of the Programme</b>	To Inaugurate the Pasteur Biotechnology Association To give the Guest Lecture To Exhibit students Herbal Products		
<b>Participants Count</b>	<b>Students :253</b>		

#### Summary

PG and Research Department of Biotechnology, Marudhar Kesari Jain college for Women, Vaniyambadi Organized Inauguration of Pasteur Biotechnology Association and Guest Lecture on Targeting Signaling Pathways in Cancer on 07.08.2024. The Resource Person **Prof Dr.R.Suresh Rayala**, Department of Biotechnology Indian Institute of Technology Madras (IITM), Chennai was heartily welcomed by Dr.M.Inbavalli, Principal.

He gave brief idea about how to study the cancer progression by identifying the problems from day to day life. He motivated the students to do projects and improve their carrier opportunities. As per the feedback received from the participants it was a very good learning experience, the lecture helped them in understanding the basics of Cancer research and how to apply the concepts learned in their curriculum to do projects.

The Department has organized a quiz and a connection program for the students and also organized Exhibition on Herbal products. The students displayed their creative scientific potential in diverse arenas revolving around the themes of contemporary significance, namely, Agriculture and food security, Sources of energy and their conservation. The event in itself ignited the scientific curiosity in children and gave them a platform to give concrete dimensions to their ideas, from the zone of imagination to realism. The students also got the unique experience of demonstrating and explaining their ideas to a wide variety of audience which further enhanced their confidence, communication and inter personal skills, overall, a

boost to their personality.

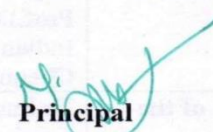

On the whole, the Science exhibition was a great learning experience for both the students and teachers alike wherein it seemed that the world of science practically came alive, through the blooming projects of our young student innovators.

### Outcome of the Programme

The students came to know about

1. Recent Trends in Cancer Research
2. Awareness On Herbal Products
