

Library Activity Report

Topic: Visit to the Hosur Book Fair

Date: 29/07/2026

Objectives (Input)

- To enrich the Main Library with quality academic and reference books.
- To identify the latest publications from reputed publishers.
- To strengthen the library collection in support of teaching, learning, and research.
- To interact with publishers and promote the effective development of library resources.

Methodology (Process)

The **Main Library** of Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi, visited the **Hosur Book Fair** on **29/07/2026**, organized by the **Krishnagiri District Administration** in association with the **Tamil Nadu Science Movement**. The **Librarian and other staffs** visited numerous book stalls and explored a wide range of academic, reference, competitive examination, literature, and general books published by reputed publishers.

After carefully reviewing the collections, **200 books**, including a **multi-volume Encyclopedia**, were selected based on the academic requirements of various departments. The **Main Library** purchased these resources for a total value of **₹52,000/-** to enrich its collection and provide updated learning resources for students, faculty members, and researchers.

The organizers appreciated the institution for its active participation and significant book purchase. The **Librarian and Other staffs** participated in the **Press Meet**, where the institution's commitment to library development and the promotion of reading culture was recognized. As a token of appreciation, the organizers honoured **Marudhar Kesari Jain College for Women (Autonomous), Vaniyambadi**, by presenting a **Shield of Appreciation** to the **Main Library** for its valuable contribution and enthusiastic participation in the Hosur Book Fair.

Output

- **200 academic and reference books**, including a **multi-volume Encyclopedia**, were purchased for the Main Library at a total cost of **₹52,000/-**.
- The Main Library collection was strengthened with updated learning resources.
- The institution received appreciation from the organizers, participated in the Press Meet, and received a **Shield of Appreciation**.

Outcomes

- The Main Library collection was enriched with quality academic and reference resources, including an **Encyclopedia** for advanced study and reference.
- Students, faculty members, and researchers gained access to updated and comprehensive learning resources.
- The newly purchased books will support teaching, learning, research, and competitive examination preparation.
- The activity reinforced the institution's commitment to promoting reading culture and continuous library development.
