PI DAY CELEBRATION – 14.03.2025

INVITATION

The poster is a colorful invitation for Pi Day. At the top, it features the college's name and logo, along with accreditation details. Below this, the department of mathematics is announced as the organizer. The central part of the poster is dominated by a large, stylized Pi symbol (π) inside a circular frame, with the words 'International PI DAY' in bold, colorful letters to its right. The date and time of the event are clearly stated in a white box with a red border. At the bottom, the names and titles of the organizing committee members are listed. The background of the poster is a mix of red, yellow, and blue, with a subtle pattern of mathematical symbols.

Summary

The Department of Mathematics of Marudhar Kesari Jain College for Women (Autonomous) organized a Pi Day Celebration on 14th February 2025 to promote awareness about the significance of the mathematical constant π (Pi) and to spark interest in mathematics among students.

As part of the celebration, a special video presentation was arranged for the students. The video explained the importance, history, and interesting facts about Pi, which is widely recognized as an essential mathematical constant used in various fields such as geometry, engineering, and physics. Students learned about how Pi is derived, its infinite nature, and how it is applied in real-world problem-solving.

The session was both informative and engaging, encouraging students to appreciate the role of mathematics in daily life and scientific advancement. Faculty members guided a brief discussion after the video to clarify doubts and share additional insights related to the topic. The event was well-received by the students and served as a successful initiative to celebrate the beauty of mathematics in an interactive way.

Outcome of the Event:

The Pi Day Celebration successfully achieved its goal of raising awareness about the importance of the mathematical constant π and encouraging student engagement with mathematics. The interactive video presentation and the subsequent discussion sparked curiosity and led to active participation from the students.
