About the College

Sacred Heart College is an affiliated First Grade College of Thiruvalluvar University. It is a minority institution established and administered by the Salesians of Don Bosco (SDB). The community of Sacred Heart College, inspired by the love of the Heart of Jesus and fundamental human values, and following the educative system of Don Bosco, is committed to creating an educated, ethical, and prosperous society where equality, freedom, and fraternity prevail. The college aims to impart higher education to poor and rural youth, enabling their integral human development. Sacred Heart College has been accredited by NAAC (5th Cycle – under RAF) with a CGPA of 3.53/4 at the 'A++' Grade. It has also been ranked as the 80th College in India by NIRF 2025. As the institution is celebrating its Platinum Jubilee in 2025–26, the college is organizing a state-level conference for NCC cadets.

NCC in the College

Sacred Heart College, with its 75 years of dedicated educational service, has touched the lives of thousands of youth and has played a significant role in transforming the entire northern region of Tamil Nadu. The National Cadet Corps (NCC) was established at Sacred Heart College, Tirupattur, in 1956 under the leadership of Maj. Alphonse, the first Associate NCC Officer of the college, and under the able principalship of Rev. Fr. P. P. George SDB. The NCC unit was raised under the affiliation of the 12 (TN) BN NCC Unit, Salem – Senior Division/Wing. Since its inception, the NCC unit of Sacred Heart College has been actively coordinating and conducting various camps, social service programme and community development activities in and around Tirupattur region for the past 75 years. Over the years, numerous cadets from the college have successfully joined the defence forces at the national level. The college believes that exposing students to the rich heritage and technological advancements of India will not only enhance their knowledge but also inspire a deep sense of patriotism and dedication to serve the nation.

About the Conference:

The conference aims at providing valuable insights and opportunities for NCC cadets, highlighting the wide range of career options available to them today. The defence services, being among the most demanding professions, require a high level of skill, discipline and commitment. This conference brings together experts from academia and the defence sector to explore key opportunities and career pathways in the defence forces. Through interactive sessions and expert discussions, participants will gain a deeper understanding of the processes involved in joining the defence services and adapting to environments that are both engaging and effective. The event serves as an important step towards empowering NCC cadets to become catalysts of change in higher education by integrating intelligence, innovation and impactful pedagogical practices. The conference will also highlight the significant differences in characteristics between NCC and non-NCC students. This evolution aligns with the modern need to build the overall personality of youth and to prepare them to take up serious responsibilities towards the community and the nation.

Summary Report

The State-Level NCC Cadets Conference, organized by the NCC Unit of Sacred Heart College (Autonomous), Tirupattur, under the aegis of 12 (TN) BN NCC, Salem, brought together both Senior Division (SD) and Senior Wing (SW) cadets and their ANOs from various colleges. The conference was designed around the theme, "Nurturing Cadets to Leader: An Insight into Career Opportunities in Defence Forces," aiming to bridge the gap between academic pursuits and professional careers in the defence sector. The event featured two primary sessions led by defence experts: Session I led by Col. Rajeev Kumar, Commanding Officer, focused on the general career opportunities available. Session II led by Lt. Col. Prakash, Administrative Officer, delved into the specifics of pay, perks, and career progression within the defence forces. Both sessions utilized expert guidance to provide valuable insights into defence careers. The event successfully aimed to equip cadets with the necessary knowledge to pursue national service. The conference concluded with a cultural segment where NCC cadets expressed their talents through various performances, including mime, patriotic dances, and skits. This final part of the programme showcased the holistic development of the cadets beyond academics and military training.

Participants Count :

Faculty 01 Students 51

Learning Outcome of the Program

Cadets gained valuable insights into the diverse career options available within the defence services. They learned about the application and selection processes for various defence roles. The sessions provided clear information on the pay structures, perks, and potential for career growth within the armed forces. The conference aimed to foster leadership qualities and responsibility toward the community and nation in the attendees. By highlighting successful pathways and the value of an NCC background, the programme aimed to motivate more cadets to consider a career in national defence.
