Objectives

- To create awareness among students about the concept and causes of bonded labour in society.
- To educate students about the legal framework, government initiatives, and workers' rights related to the eradication of bonded labour.
- To encourage students to understand the role of society and individuals in preventing bonded labour and supporting rehabilitation efforts.

Summary Report

A total of 78 students from the Departments of Commerce, Data Science and Artificial Intelligence actively participated in the programme. The session helped students understand the seriousness of bonded labour and the importance of social responsibility in preventing

exploitation. The programme was highly informative and created awareness among students about workers' rights and the measures taken by the

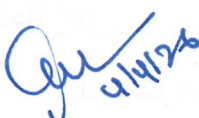

Outcome of the Program

Students gained knowledge about the causes, forms, and legal provisions related to bonded labour. The programme enhanced their awareness of workers' rights and motivated them to contribute towards the prevention of bonded labour and the promotion of social justice.
