Activity Report

Topic/ Subject of the Activity: Industrial Visit to Centre of Excellence and NIFT-TEA College of Knitwear Fashion.

Objectives (Input):

- To gain practical knowledge about the textile and knitwear industry.
- To understand the various stages involved in garment and knitwear production.
- To observe modern textile machinery, equipment, and technologies.
- To understand the importance of quality control and testing in the textile industry.

Methodology (Process):

A total of 45 students visited the Centre of Excellence and NIFT-TEA College of Knitwear Fashion, Tiruppur, along with two faculty members. An introduction about the institution and its activities was provided. Students observed the facilities, machinery, equipment, and various textile-related processes. The faculty and industry personnel explained the working methods and applications of different technologies. Students interacted with the staff and clarified their doubts regarding textile and garment production. Important information and observations were recorded during the visit.

Output:

- Students gained practical exposure to textile and knitwear production.
- Knowledge about modern machinery, technology, and textile-related processes was acquired.
- Students understood the practical application of concepts learned in the classroom.
- Awareness of quality, production methods, and industry requirements was developed.

Outcomes:

- Developed a better understanding of the textile and knitwear industry.
- Gained practical knowledge of modern textile technologies and production practices.
- Improved awareness of quality standards and industrial working procedures.
- Connected academic learning with real-world textile applications.
- Enhanced students' knowledge and confidence for future careers in the fashion and textile industry.
- **SDG Alignment:** SDG 4 – Quality Education; SDG 11 – Sustainable Cities and Communities; SDG 8 – Decent Work and Economic Growth.
