Activity Report

Topic/ Subject of the Activity NSS, YRC, RRC, UBA and Rotaract jointly Organized the title Dengue Awareness Program for House Keeping Staff on 21.09.2026 at MKJC premises

Objectives (Input)

- To create awareness about dengue fever, its symptoms, causes and preventive measures.
- To educate housekeeping staff on mosquito breeding prevention and maintaining hygienic surroundings.
- To promote personal hygiene, environmental cleanliness and effective waste management.
- To encourage early identification of dengue symptoms and timely medical consultation.

Methodology (Process)

Three esteemed faculty members from our college Dr. S. Kavi Karunya, Dr. R. Ravi, and Ms. S. Sandhiya successfully created Dengue Awareness program. The NSS, YRC, RRC, UBA and Rotaract Clubs jointly organized a Dengue Awareness Programme for housekeeping staff on 21.09.2026 at the MKJC premises. The programme focused on dengue transmission, common symptoms, mosquito breeding sites and preventive measures. Awareness was created through informative explanations and practical guidance on eliminating stagnant water, maintaining cleanliness and ensuring proper waste disposal. The programme emphasized the importance of personal protection, environmental sanitation and early medical attention to prevent the spread of dengue.

Output

- Conducted a Dengue Awareness Programme for housekeeping staff on 21.09.2026 at MKJC premises.
- Disseminated information on dengue transmission, symptoms and preventive measures.
- Created awareness about mosquito breeding prevention and stagnant water elimination.
- Provided guidance on campus cleanliness, sanitation and proper waste disposal.
- Emphasized personal hygiene and environmental health practices.
- Promoted awareness of dengue prevention through the joint efforts of NSS, YRC, RRC, UBA and Rotaract.

Total Participant Count : 38.

Outcomes

- Enhanced health awareness and knowledge of dengue prevention among housekeeping staff.
- Improved understanding of mosquito control and preventive health practices.

- Encouraged the adoption of hygienic practices and effective waste management.
- Strengthened the role of housekeeping staff in maintaining a clean and disease-free campus.
- Promoted social responsibility and community health awareness among campus stakeholders.
- Supported the institutional commitment to health, hygiene and a safe campus environment.

SDG 3 Good Health and Well-being Promotes dengue prevention, awareness of symptoms, early identification, and healthy practice

SDG 6 Clean Water and Sanitation Encourages prevention of mosquito breeding by maintaining clean surroundings and eliminating stagnant water.

SDG 11 Sustainable Cities and Communities Supports a clean, safe and healthy campus/community environment through mosquito-control and sanitation practices.

SDG 12 Responsible Consumption and Production Promotes responsible waste management and proper disposal of materials that can collect stagnant water.

SDG 17 Partnerships for the Goals NSS, YRC, RRC, UBA and Rotaract jointly organizing the awareness programme demonstrates institutional collaboration
