## ABOUT THE DEPARTMENT

The Department of Interior Design and Decor develops and advances the interior design discipline through excellence in teaching and service. Developing through producing graduates where professional, creative activities contribute to the theory, practical knowledge, technical skills & professional ethics to practice interior design.

The faculty make creative people who enjoy solving problems and able to visualize three-dimensionally. Interior designers and decorators are independent thinkers and innovators. They create inspiring, functional, socially responsible and aesthetic designs for private residential, corporate, public and exhibition areas by using color, architectural design and décor. The scope of training opens doors to many career opportunities in the world of interior design and architecture where graduates will work with both the structural and cosmetic aspects of interiors.

## ABOUT THE WEBINAR

As designers, it is important to always be up to date with the latest interior design trends. Knowing and understanding trends, what influences these and how to apply them to your next design is crucial to your success as a designer. This webinar will explore trends and other basic stuffs in different areas to give a complete overview of the interior design.
